

“This was our first experience in a Pénichette® and we enjoyed this cruise as a couple in our 935W. The interior space is optimised and it feels good. Finally, even with just the two of us, manoeuvring was simple to manage because the boat is so easy to steer.”

Mr. and Mrs. A., Austria

PÉNICHETTES® CLASSIQUE

Famous for their resemblance to traditional barges, the Pénichette® Classiques are the easiest to handle of the boats that don't require a licence to steer! Their raised cockpit, 2/3 to the rear, and their wide sunroofs offer excellent visibility. They can accommodate 2 to 7 people with excellent comfort on board.

BENEFITS

- The Pénichettes® “Classique” are powered by diesel engines of 37,5 hp.
- 12 V electricity is provided from an engine-driven alternator. On the dashboard is a 12 V power point (for mobile phone, camcorder, etc).
- Hot and cold water is pressurised. Hot water is provided either by a gas water heater or by a heat exchanger on the engine.
- Heating is forced warm air, and assures all year round comfort.
- Kitchens are fitted with refrigerator, cooker with oven and two or three rings, sink and storage.
- 230 V socket available in the saloon, when connected at quayside.
- Gangplank provided.
- Radio / CD-Player.
- The “W” label applies to the Pénichettes® “Classique” with a white hull and superstructure.

On the Europa, the interior spaces are large and open pleasantly to the outside. The teak deck is also very big and even has a second refrigerator available! ”

Mr. and Mrs. K., Germany

EUROPA

Cosy, stylish and designed as small yachts, the Europas lend themselves perfectly to navigation without a licence and can accommodate crews of up to 6 people. Their equipment includes the essentials for life on-board. Fitted with a rear deck, they are ideal for fishing and bathing.

BENEFITS

- Large flying bridge with outside steering.
- The E.400 and 600 are powered by 65 hp diesel engines (85 hp on the E.700).
- Hydraulic propulsion.
- Bow thruster on all boats (and stern thruster on E.700).
- On the dashboard is a 12 V power point and 230 V socket available in the saloon (when connected at quayside).
- Multimedia facility, with radio, satellite TV (subject to local reception), CD, MP3 and DVD player.
- Central heating board.
- All shower/WCs fitted with shower, electric WC, handbasin and hair drier.
- Outdoor shower with hot and cold water.
- Mosquito nets on key windows.
- Galley equipped with 4-burner cooker, oven and grill, 160 l capacity refrigerator with freezer compartment, and full inventory of equipment.
- Bimini in Germany, Italy and Poland.

EUROPA 400

MAIN CHARACTERISTICS

- Flying Bridge with handbasin, fridge, table and seat
- Bow and stern thruster
- **Special price for "large ships"**

“On board the Linssen, you have the impression of being the captain of a mini yacht. All details are taken care of and you can enjoy the pleasures of river navigation without the disadvantages of overcrowding.”

Mr. and Mrs. A., France

NEW

LINSSEN GRAND STURDY 34.9

ABSOLUTE COMFORT, QUALITY FINISHES, RELIABILITY: THE BEST OF YACHTING!

Since the 2014 season, Locaboat Holidays has had the pleasure of offering new boats in its fleet with the Linssen trademark, one of the European benchmarks in recreational navigation.

To complement its range of Penichettes® and Europas, Locaboat has selected the Linssen Grand Sturdy 34.9GS model, which has many strong points; this is a boat of character with elegant lines, very easy to steer and offering an excellent level of comfort and finishes. With its two double cabins, the Linssen 34.9 is ideal for two couples or a family, and for all those who wish to have pleasurable holidays.

THE SMALL DETAILS THAT MAKE THE DIFFERENCE

- Bow and stern thruster
- Upper teak deck equipped with outdoor furniture and a Bimini-top
- Continuously usable 230 V socket in the lounge
- Audio output on the deck
- Numerous storage compartments in the cabins and the saloon
- A bathing ladder folded under the rear platform, very convenient for swimming
- Depth and water temperature indicator in the cockpit
- Removable mosquito nets in the cabins

ZOOM IN ON THE “EASY SLEEP”-SYSTEM

If you have 5 or 6 people on board, you can use the “Easy Sleep”-System. It allows you, in the blink of an eye, to transform the sofa in the living quarters into a genuine two-person bed. By simply moving the dining table and removing the cushions, the sofa can be pulled out to automatically create a slatted bed base on which you simply once again place the cushions to obtain a comfortable bed for two people.

LINSSEN YACHTS: INNOVATION AND QUALITY FOR 65 YEARS

Linssen Yachts has been a family business for three generations. The small shipyard established in 1949 at Maasbracht in the Netherlands has become a leader in the construction of motor-yachts. Linssen is internationally recognized for the unrivalled quality and constant innovation applied to its steel yachts. The Linssen shipyard is a complex of more than 45,000 m², with an outstanding production process (construction of hulls, booths for painting and sandblasting, woodworking).

LINSSEN® GRAND STURDY 34.9

MAIN CHARACTERISTICS

Length: 10,70 m - Beam: 3,40 m

Air draught: 2,48 m - Draught: 1,00 m - Drinking water: 220 L

- Centre: bright living space (kitchen, lounge, convertible sofa, table, corner desk).
- Forced-air heating
- Radio - CD, USB
- **Special price for couples or families**

TREE QUESTIONS TO YVONNE AND RUBEN LINSSEN, LEADERS OF LINSSEN YACHTS

1) WHAT ARE THE KEY STRENGTHS OF THE 34.9 MODEL?

The 34.9 is unique in its class because the space available was optimally used by the engineers at Linssen.

The single chine hull offers a lot of comfort to all guests aboard. There are two cabins with double beds, and each cabin has its own toilet and shower compartment.

The low-noise and economically efficient engine adds up to more enjoyable moments on board. Large windows bring in lots of light. Some of Linssen's gadgets, like the easy sleep system or the integrated drawer with glasses, increase the comfort.

2) WHAT MAKES A LINSSEN BOAT SPECIAL?

A Linssen is always designed and engineered in full detail. This means that the propulsion configuration, the layout on deck and below deck, the available space and all equipment are carefully studied before implemented in production. Furthermore, the quality standards at Linssen are very high.

3) DO YOU SEE COMMON POINTS BETWEEN A LINSSEN AND A PÉNICHETTE® ?

The Linssen and the Pénichette® are both long existing and proven models and concept bringing years of enjoyment to charter users all over the world. The two concepts fit together because they are both unique, classic and timeless concepts, extremely suitable for canal boating.
